Volunteer Clearances

Who is required to have clearances?
 Pursuant to Act153 of 2014: beginning 7/1/15 an adult working as an unpaid volunteer responsible for the welfare of a child or having direct contact with children is required to have clearances. "Direct contact" is defined under the act as: the care, supervision, guidance or control of children, or routine interaction with children.

What clearances are required? (All clearances are valid for 60 months.)

- All volunteers must obtain the following clearances:
- PA State Police Criminal Record Check
 - PA Child Abuse History Clearance (from the Dept. of Public Welfare Childline and Abuse Registry)

- Additionally, one of the following requirements must be met:
- Federal (FBI) fingerprint-based Criminal History Record Information (If you have lived outside of the Commonwealth of Pennsylvania in the last 10 years)
 - OR-
 - Volunteer Affidavit (must be notarized) (If you have lived in the Commonwealth of Pennsylvania for the past 10 consecutive years)

Hold your child responsible for being prepared. They learn to be responsible when they have to be.

NETWORK and CARPOOL

CHEER!!!
 The band's cheering section helps them keep their energy up and will help them put their best foot forward.

Drop your child off at least 15 min before rehearsal time. The time listed is the time that they need to be ready to begin rehearsing, not the time that they should arrive.

"Rehearsal ends at X O'clock" means they stop rehearsing at that time. Realize that there may still be announcements, clean up, or other activities. It will usually be at least 15 additional minutes before your child is actually ready to leave.
